THE END OF AN ERA commercial club wagga

In 2009 the Wagga RSL Club gave the Commercial Club a lifeline by agreeing to a merger. It was an exciting time, as we took the opportunity to rebuild the Commercial Club, investing more than \$2 million to turn it into a modern, inviting venue for members and visitors alike.

However, ongoing years of losses and the current unpredictable economic climate has forced us to conduct an extensive review of our current operations. After much deliberation and with deep regret the Board and Management closed the Commercial Club on September 10. We believe this was the right decision to make in order to secure the future growth and resilience of the RSL Club. This will help us to continue to support our community and protect our traditions.

We would like to thank our 26,000 members and the community for their ongoing support of the Commercial Club over the last twelve years. This decision was not taken lightly, and you can be assured that our focus will now be on minimising the impact on our staff and stakeholders. We will continue to keep our members and the community informed regarding any decisions that are made regarding the future of the Commercial Club building and site.

THANK YOU veterans

On August 15 we were proud to be the host venue for four of our beloved veterans to receive World War II Commemorative Medallions from Mr McCormack.

Deputy Prime Minister, Mr McCormack said every living World War II veteran was eligible to apply for a medallion and a certificate, which are being presented by the Federal Government to say "thank you for your service" on the 75th anniversary of the end of the devastating six-year-long conflict. "Over the past 75 years, time has healed wounds, both physical and emotional, and time has taken many of our World War Two veterans, but it will never take away our eternal gratitude for their service and sacrifices which defended the freedoms we enjoy today," Mr McCormack said.

We support Mr McCormack's strong urge all those living Riverina and Central West World War II veterans, or their families on their behalf, to apply for a medallion and certificate online at www.dva.au/medallion

RELAY YOUR WAY relay for life

The Wagga RSL is once again proud major sponsors of the Wagga Wagga Relay For Life – the city's largest fundraising event for Cancer Council.

With the uncertainty of future restrictions on social gatherings as a result of Covid-19, this year's event will be broadcast virtually – and with a camping theme. While watching the Relay proceedings, participants will be encouraged to camp – whether that be in the backyard, in the lounge room, in a cubbyhouse or a caravan or tent by the river.

“Cancer has not stopped since COVID was introduced, so the committee could see no reason why coronavirus should stop our fundraising event,” said Alan Pottie, Wagga Wagga Relay For Life chair. “If at worst COVID means a full lockdown at home, we can still **CELEBRATE** survivorship, we can still **REMEMBER** loved ones lost, and we can still **FIGHTBACK** through fundraising, education and awareness.”

To join the Wagga RSL Club team google Wagga Relay for Life 2020 and join the Wagga RSL Club team. We would love you to help us support this great event.
