LEST WE FORGET

ANZAC Day is an opportunity to reflect on how lucky we are, the sacrifices that have been made for us to live in a free and fair nation and to enjoy the company of our friends and family. It is a time to reflect on the importance of peace. Sharing a beer and playing a game of two up is one of the many traditions Australia has on ANZAC Day, but it is not the sole purpose of this important and sacred day.

We encourage everyone to Respect the Day and remind people of the special significance of ANZAC Day and to encourage Australians to reflect on how we should behave on this sacred day.

We want to continue to educate our younger generation and newer Australians about the significance of ANZAC Day, and the reasons it is held. Our goal is to increase understanding of the purpose and focus of ANZAC Day.

Celebrate Our Freedoms
Remember their Sacrifice
Honour Our Traditions
Look After Your Mates
